

We are very excited to be starting a Local Basketball Camp for all youth (male and female) ages of 8 to 14. This camp will give young players the opportunity to practice excellent sportsmanship, learn basketball skills, and meet and socialize with other youth in a fun and positive environment. Other benefits of the camp include learning teamwork, healthy competition, and having fun!

You can be a part of this wonderful program by:

1. Participating in a SPONSORSHIP program.

Program sponsorships provide a fabulous opportunity for businesses, organizations, or individuals to market their products or services, while supporting youth in our community. Please submit sponsorship by July 7th.

2. VOLUNTEERING as a coach.

If you have basketball coaching experience and want to help coach the kids and games, we would love to have you. The camp will be held August 7th & 8th. Please contact us to get involved.
